COMMITTEE MEETING MINUTES

ACTION: MSp to advise Picton Rotary Club it was successful in its request for the U Turn the Wheel Program, and process the application through the South32 compliance process.

2. Appin Dogs – team training and game uniforms

Funding Sought: \$20,000

The Appin Dogs is a local rugby team that has requested funds to cover the costs of the 2023 season training and team apparel. The financial support would allow the club to dedicate funds to various community events that it has found hard to support over the past 3 years due to the growth of the club.

The CPP did not endorse the application for the \$20,000 towards players uniforms. The CPP reasoning was that uniforms are not sustainable and did not meet the CPP application criteria.

ACTION: MSp to advise Appin Dogs its application was unsuccessful.
